

CIF feedback from the DCRS Subcommittee

- The strategic sequencing of projects in the pipeline remains a priority
- Increasing the usage of DCRS vs Ad Hoc proposals is a priority
- 3 DCRS development projects are in progress
- Multiple pipeline items are waiting or on hold due to dependencies
- Some investigations support these pipeline items are managed by other sub-committees

DCRS Usage - proposals over 3 years

Indicative figures - Estimated number of proposals based on banks' accounts processed

- All proposals - DCRS Proposals received - 30%
- All proposals - Proposals received which are NON-DCRS - 70%
