WHO IS DCASA?

DCASA is a Voluntary Association formed in 2007 together with the implementation of National Credit Act.

The need for a Debt Counselling Association was necessary to assist in drafting a personal document that would assist all parties involved to understand their roles, obligations and rights in line with the NCA.

DCASA was actively involved in the drafting of the Task Team Agreement that is currently in use and continues to be involved on all levels within the industry including the industry guidelines set out by the NCR..
