

**22 February 2024**

Dear Debt Counsellor

Kindly note Capital Data, a division of Nutun has been mandated to manage the SA Taxi Debt Review portfolio effective date 21 February 2024.

Kindly amend your records to reflect Capital Data in order for payments to be made directly to our offices. Please note no payments are to be made to Marie Lou Bester or to SA Taxi. Should you continue making payments to MLB, unnecessary payment allocation prejudices the consumer. Further, please also provide us with your proposal to enable interest adjustment. For non-paying consumers, please advise the reason for non-payment, with relevant documentation.

For timeous resolution of queries and correspondence kindly refer all correspondence to [FrederickR@capitaldata.co.za](mailto:FrederickR@capitaldata.co.za) and [MbaliV@capitaldata.co.za](mailto:MbaliV@capitaldata.co.za)

Kindly copy [Brigittet@capitaldata.co.za](mailto:Brigittet@capitaldata.co.za) on all emails.

For any escalations, please contact [anilap@tcrecoveries.co.za](mailto:anilap@tcrecoveries.co.za)
